It is the first Indian film to be produced by a Hollywood studio. The screenplay was written by Eric Garcia, while Ram Madhvani, Aditya Dhar, Ronnie Screwvala, and Ashwiny Iyer Tiwary served as the film's director, screenplay writer, and editor, respectively. The principal photography of the film commenced on 1 September 2011 in Bangalore, India, and the film was theatrically released worldwide on 25 January 2012. The film stars Ranbir Kapoor, Deepika Padukone, Abhishek Bachchan, Boman Irani, Bipasha Basu, Himesh Reshammiya, Abhijit Banerjee, Rajinikanth, Manoj Bajpayee and Sudeep. The plot revolves around the journey of seven boys from different parts of India, who aim to become successful in life. The film depicts how they reach out to each other during their journey in order to accomplish their goals. Gameplay and characters The gameplay is similar to other games such as Golf, Tennis, NBA, and Football. The player can choose between male and female characters. The main focus is to make each player take his own shot at the game while the other players are trying to stop him. The player is able to score through his shots, if the opponent's goal is screened by the goalkeeper. In case of a penalty, the player is able to play it through with a purposeful kick. The ball can be controlled by the player until it reaches the opponent's goal line. If a player is on the ice, the opponent's player takes over the control of the puck, and if he hits the opponent on the goal line, the goal is credited. Players in the same team will help each other in an effort to prevent the opponent from scoring. The game was launched worldwide on 13 February 2012. There are four versions of the game: Hockey for Android, Hockey for iOS, Sega Genesis, and Sega Saturn.
